company profile

*great care and forethought goes into every project we execute...*

## who We are

MuNelo Group specialises in delivery of infrastructural and building services to the built environment.

Founded in 2007, we have successfully completed projects in energy and building, ranging from turnkey electrical distribution & reticulation and air-conditioning to civil work.

## our mission

employing industry best practice, provide sustainable solutions within program and customer budgetary allowance.

## our vision

become the preferred infrastructural contractor locally and across Africa.
